

# Minnesota Interactive Internet Mapping (MIIM)

Try MIIM by going to <http://maps.umn.edu>

The image shows a screenshot of the MIIM web application interface. The interface includes a top navigation bar, a search bar, a legend, and a main map area. The map area displays a detailed view of the Minneapolis-St. Paul region, showing roads, water bodies, and city boundaries. A red rectangle highlights a specific area on the map, and a callout bubble labeled 'Coordinates' points to it. A callout bubble labeled 'Measure' points to a tool icon in the 'Tools' panel. A callout bubble labeled 'Bird's eye view' points to a tool icon in the 'Tools' panel. A callout bubble labeled 'Zoom by rectangle' points to a tool icon in the 'Tools' panel. A callout bubble labeled 'Pan' points to a tool icon in the 'Tools' panel. A callout bubble labeled 'Zoom in' points to a tool icon in the 'Tools' panel. A callout bubble labeled 'Zoom out' points to a tool icon in the 'Tools' panel. A callout bubble labeled 'Set background' points to a tool icon in the 'Tools' panel. A callout bubble labeled 'Pick maps to show' points to a tool icon in the 'Tools' panel.
